Trinity Sunday (B)

26th May 2024

From Deacon Rod's Desk. Persons All the Way Down

Christians believe in one God and only one God. But at the heart of Christianity is the belief that this one God is three Persons, the Father, and the Son, and the Holy Spirit. We count only one God. But when we count divine Persons, we count three. But notice that we can't divide the one God into three more fundamental things, which make up the one God. We cannot divide God into smaller something. One is all there is when it comes to God.

And yet we still have to count three. The three Persons of the Trinity are not really anything else. They aren't roles of God, or modes of God like water being a gas (steam), a liquid (water) and a solid (ice). As much as we cannot divide God into three, we cannot somehow from three bring them down to one. In themselves, they are Persons, and there are three of them.

At the ultimate foundation of reality, irreducible to anything else, there are the three Persons of the Trinity, who are one God. There is a story told about an old lady who believed that the world is flat and rests on the back of a giant turtle. She was challenged with the following question, "Yes, but what does the turtle rest on?". This question didn't seem to trouble her. She just replied carelessly, "Oh, it's turtles all the way down!"

She was wrong, of course. The whole cosmos rests on the loving and caring Persons of the Trinity. For Christians, it's Persons all the way down.

This is a doctrine worth celebrating.
